Just got it,

So on Wednesday at 6pm you should be at:

4131 N Central Expressway #1000, Dallas

Kurt, who's the person I've been in contact with wrote:

"If he gets here by 5:30 there'll be someone at our reception on the 10th floor. If he arrives after, he should call our studio for access at 214-525-7067. Tell the person he's here to see Jackie Douthit for a studio interview."

Does that all sound good?

Bests,
G
